

Who we are ?

Naveda products are made of 100% naturally-pure, preservative-free ingredients and renewable resources-cultivated, gathered, blended and manufactured in the foothills of the Himalayas.

At Naveda, the products that we offered in market are highly praised owing to their long shelf life. We also deliberate the valuable feedback of our clients in order to improve ourselves. Our products are well packed in order to prevent any kind of loss in the transaction process while retaining its aesthetic qualities. Apart from this, with the help of our skilled logistics personnel, we are able to bring about patron's order within the specified time frame.

Our Mission:

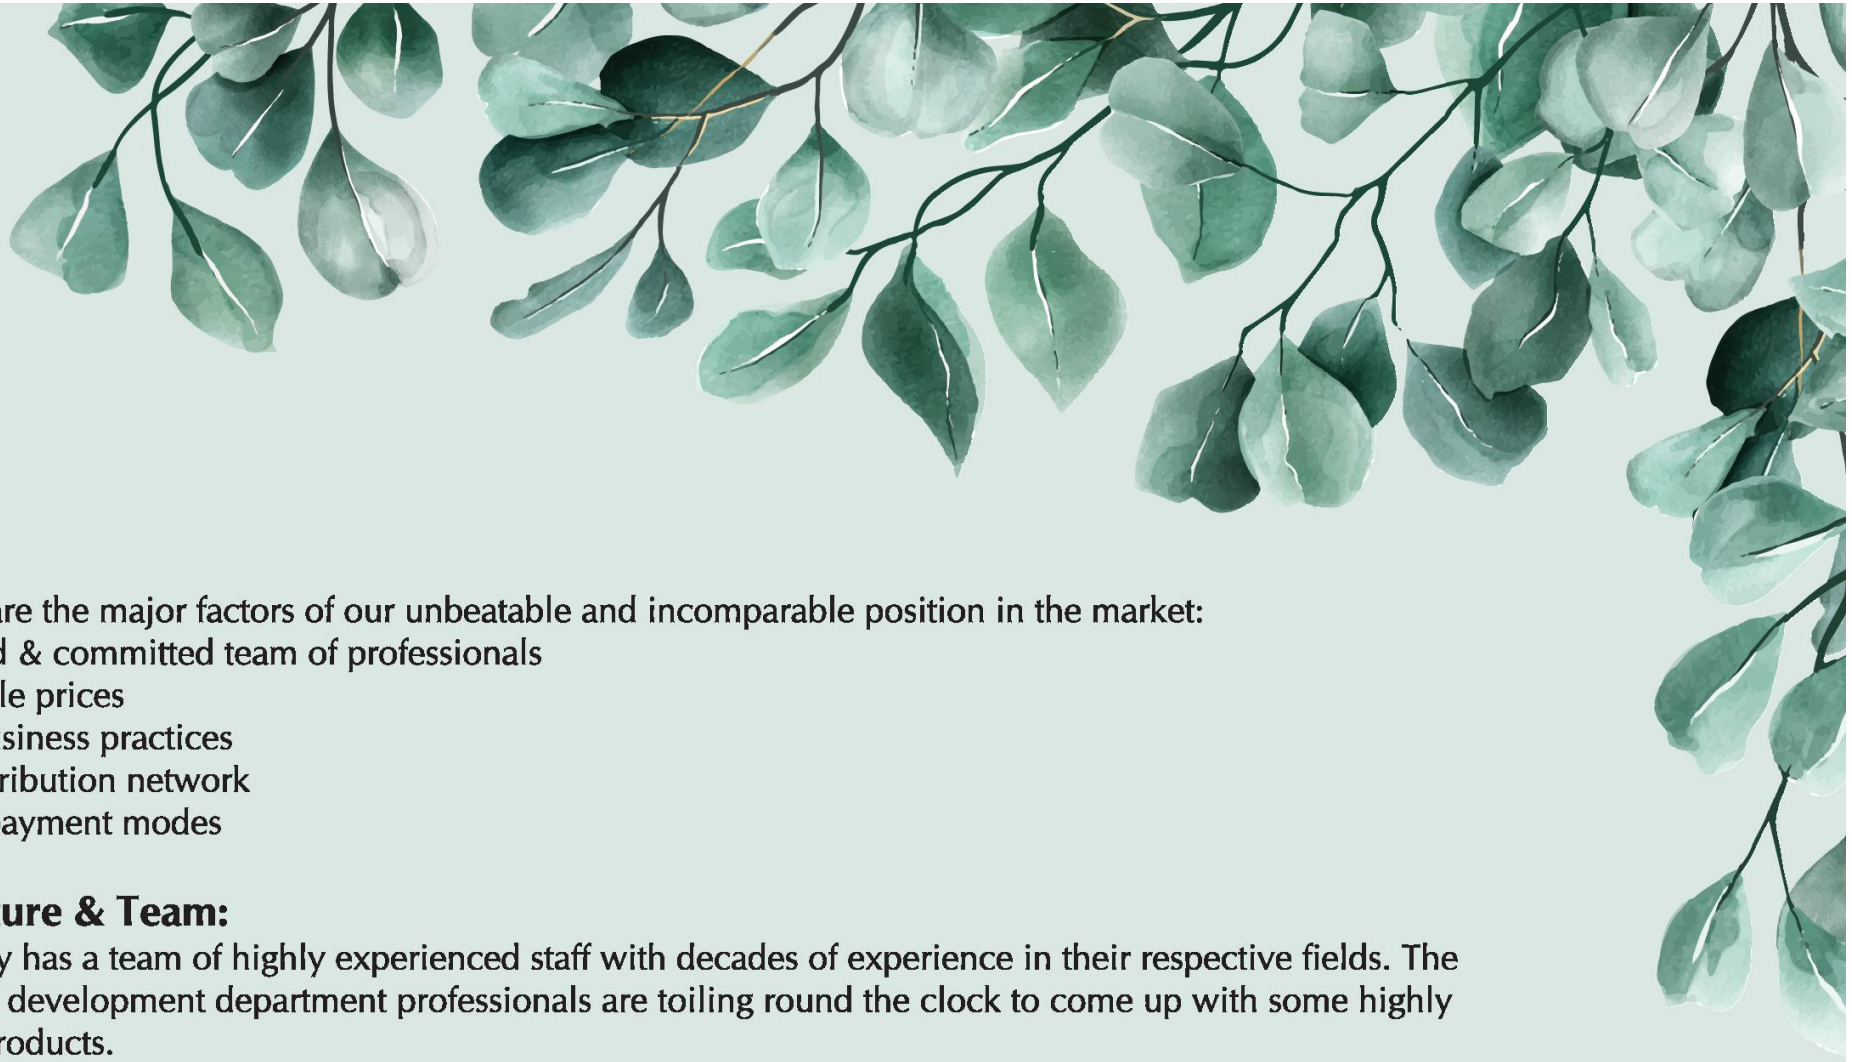

WE INTEND TO LEAVE THE PLANET BETTER THAN WE FOUND IT.

Look, there is no easy way to say this. Every time we clean our homes, we dirty our planet. Our lakes, streams, rivers, and ultimately our oceans are getting more poisonous by the day. We could go on and talk about everything that's killing the earth. About how the toxic chemicals in everyday products don't just ruin our lands and waters, but our health too. Or, we could do something about it.

Why Us?

Our company has earned huge respect in the market with the prime focus on attaining maximal customer satisfaction. Our team constantly works together to achieve the Vision, Mission, and Goals that we have laid down for ourselves. Further, we always maintain transparency in our activities so as to retain the trust of our clients.

Underlying are the major factors of our unbeatable and incomparable position in the market:

- Dedicated & committed team of professionals
- Reasonable prices
- Ethical business practices
- Wide distribution network
- Flexible payment modes

Infrastructure & Team:

The company has a team of highly experienced staff with decades of experience in their respective fields. The research and development department professionals are toiling round the clock to come up with some highly developed products.

With the support of our mentors, we have been able to sustain ourselves as an eminent company in this hard competing market. They enlightened the path of our entire workforce with their futuristic and visionary approach.
